If not, are you willing/able to obtain fencing?

How will this growing puppy, and later adult dog, be exercised on a daily basis?

How will the puppy be socialized outside your home & family environment once she/he is old enough to do that safely?

Where will this dog stay during the day?

Where will this dog sleep during the night?

Have you ever crate trained a dog before?

Are you willing to use one for this dog?

Knowing that PWDs require regular grooming, how do you plan on grooming your PWD?

Would you like grooming information?

What books, if any, have you read on dogs (breeds, behavior, training, etc.)?

Have you ever attended a dog obedience course? Why/why not?  
A basic puppy course?

If so, what did you like best about the course?

What would you do if a behavioral problem occurred (e.g., chewing,  
barking, and aggression) that you weren't able to quickly correct on your  
own?

Are you willing to abide by the puppy and adult vaccine protocol given to  
you by Seagypsy (as determined by the foremost experts in vaccine  
research who warn against the dangers of over-vaccinating)?

Would you consider becoming a member of the Portuguese Water Dog  
Club of America, Inc. (PWDCA) or the regional PWD Club?
