Your Picture Here !

We saved a space for
you ! Consider running
for office in the next
election cycle.

There were over two dozen African Diaspora candidates that made it into the November 3rd ballot this year.

ADGG PAC would have loved to endorse and financially contribute to all of them.

**Our goal is to combine our collective resources to support more candidates;
to speak with One Voice; and to Vote as a Community.**

We hope you will join us in the coming years to increase our fundraising target,
so we can support more diaspora candidates and mobilize our community.

Thank You for your donations – we could not have succeeded without you !!!
