EGBG LLC

ABOUT US

Lizzie Goldblatt is the CEO / Founder of EGBG LLC, a government consultancy established in 2019 that specializes in federal IT governance and artificial intelligence (AI) compliance. She has over 13 years of experience advising government executives within U.S. Citizenship and Immigration Services (USCIS)—a component Agency within the Department of Homeland Security (DHS). Lizzie currently supports the Chief Information Officer (CIO) of USCIS as the lead consultant on IT strategy, policy, and planning efforts.

Lizzie is a Certified Scrum Master (CSM), Project Management Professional (PMP), and Insider Threat Program Manager (ITPM). She holds a B.A. from Cornell University and a J.D. from Georgetown University Law Center.

CORE COMPETENCIES

- Maturing IT decision-making frameworks/processes to improve organizational efficiency and maintain compliance with Department and Congressional guidelines.
- Developing executive-level briefing materials, including white papers, decision memos, and talking points.
- Enhancing IT management processes to properly account for resources and return on investment (ROI) at the enterprise level.
- Managing the IT Portfolio to track performance and ensure alignment with Agency IT priorities.
- Drafting policy documents, including charters, strategic plans, SOPs, CONOPs, and workforce guidance.

PAST PERFORMANCE

- US Citizenship and Immigration Services (USCIS), Office of Information Technology (OIT)

DIFFERENTIATORS

- Diverse perspectives and a unique approach to IT governance.
- Dedicated team of professionals with deep expertise in IT governance practices.
- Thorough understanding of IT frameworks, risk management, compliance requirements, and the ever-evolving technology landscape.
- Custom solutions that align with your organizational culture, industry standards, and regulatory compliance, ensuring a perfect fit for your IT governance needs.
- Client-centric approach that prioritizes our clients and their success.
- Commitment to empowering women in the technology industry—by choosing us as your IT governance partner, you contribute to fostering gender diversity and inclusivity in the tech sector and government contracting industry.
