Layover Residency Business Campus is Coming Soon.

CORPORATIONS AND PROFESSIONAL TRAVELERS.

Greetings, Corporations and Professional Travelers.

Let me introduce myself. I am Grady XZ Radford Jr., Sales, and Marketing Director for Real Estate LLC. Hope that all is well with your corporation and your business.

We are in the people business, and we need your assistance. Our development team is currently improving the following services: **Meet and Dine Spaces – Corporate House Rentals, and Professional Short-stay Room Rentals.** We are going to make these facilities available from one campus.

We are looking to build these campuses in several states across the country. They will be a seven-star estate experience for top-tier corporations and professional travelers.

You are receiving this letter because we need your input on their design and function.

What we would like to know from you is the following.

- A.** Are your corporation and your professional traveler a top-tier organization?
- B.** Does your corporation or professional traveler use such services listed above?
- C.** How often do you use such services per year?
- D.** For your current budget, are you getting your money's worth with these programs?
- E.** What is your list of places you travel to from your location for business stays?
- F.** At your destination, do your accommodation and their amenities meet your standards? Standards such as Quality in Services – Security – A Restful Sleeping Environment - Nutrition Platform, and Relaxation.
- G.** What would be your takeaways and or add-ons for such services?
- H.** What are your current options and requirements for a meeting and dine space outside of your office?
- I.** Any issues and concerns you may have to add will be welcome.

We do our best in both designing and establishing top-tier facilities. Your assistance is needed for us to complete our mission. Our mission is to create a functional business environment that is secure, restful, nutritionally friendly, relaxing, and a pleasant workspace.

Please respond to our questions A-I on your company letterhead and email it to realestate@gradysmarketinvestments.com with the words **“We can help”** in the subject box. After we have received your email, someone from our office will contact you to follow up on any questions and or concerns you may have.
