

Professional Architects of

Investing Assets

Sponsoring a Web Page Offer.

This offer is exclusively for business owners who are not afraid to operate outside their comfort zone.

Real Estate is announcing something special for these same business owners. We are not aware of any other Real Estate Investing firm that is doing what we are about to do with our website. We plan to share our website with your business. We are setting aside five pages on our business website, which will be available for Business Sponsorship by placing your business name and website link on them.

Your business will become a page sponsor. As a page sponsor, we will place your business logo, your business name, and your website link on your selected page.

We are doing this for two reasons.

One, we want to continue to grow our business presence.

Two. Our website receives over 1,000 visitors each month and is growing. Having your sponsored page live will help us grow and it will put your business in the spotlight.

To request that your business become a sponsor, go to grandysmarketinvestment.com, click the **“contact us”** link, and fill out the form at the bottom of the page. Place in the “How can we be of assistance?” box the words **“Sign Me Up.”**

We will only have five pages available for sponsorship, and they are as follows.

Properties for Sale

Services and Programs

Something Just for You.

The length of sponsorship is for one week (Sunday – Saturday midnight).

The cost with your business website linked to your logo will be \$1,200.00 per week.

The cost without your business link to your logo will be \$800.00 per week.

This offer is only for those businesses that are currently registered in our Online Directory Listings.

Thank you.
