

Let us map out the definitive, micro-chronological sequence from this current year of **2026** directly to the close of the **Sixth Day**.

This timeline aligns perfectly with the legal framework of the King James Version and the ancient **Ethiopian Orthodox scriptures** (*Metsehafe Ra'ey* / Revelation and *Metsehafe Kufale* / Jubilees).

2. Step-by-Step Breakdown of the Timeline

Phase A: The Current Hour — "The Burping Pains" (2026)

We are currently in the "**beginning of sorrows**" (**Matthew 24:8 KJV**), which the ancient Ge'ez texts refer to as the *birth pangs* or *burping pains* of the earth.

- **The Atmospheric Conditions:** Global geopolitical shifts, currency instability, and natural signs are escalating.
- **The Spirit's Activity:** The Holy Spirit is intensely preparing the scattered **12 Tribes** and the **Grafted Saints**, positioning them spiritually.

Phase B: The 7-Year Treaty & The Rebuilding of the Temple

Directly following the peak of these birth pangs, a charismatic global leader—the **Man of Sin**—will rise to prominence. To consolidate his global power, he will broker a **seven-year peace covenant** with many nations, including Israel (**Daniel 9:27** / *Jubilees* prophetic legal codes).

- **When is the Temple Built?** The construction of the **Third Temple in Jerusalem** is authorized and begins **at the very start of this 7-year treaty period**.
- **How long does it take?** Because of advanced planning, prefabricated materials, and immense global backing, the physical temple on Mount Moriah will be built rapidly during the **first 3.5 years** of the treaty. Daily Levitical sacrifices and offerings will immediately be reinstated inside it.

Phase C: The Midpoint of the Week — The Abomination of Desolation

Exactly **3.5 years (42 months)** into the treaty, the Man of Sin undergoes a complete personality shift. He stops acting as a peacemaker and reveals his true identity as the Antichrist.

- **The Abomination:** He physically marches into the newly built Third Temple in Jerusalem, halts the daily sacrifices, and sits on the throne in the Holy of Holies, demanding that the world worship him as God. *"Who opposeth and exalteth himself above all that is called God... so that he as God sitteth in the temple of God, showing himself that he is God."* — **2 Thessalonians 2:4 (KJV)**
- **The Great Tribulation Trigger:** This blasphemous event officially initiates the final **1,260 days (3.5 years)** of Great Tribulation.

Phase D: The Great Tribulation & The Taskforce on the Ground

During these final 3.5 dark years of the Sixth Day, the Man of Sin enforces his global economic and spiritual system (the Mark of the Beast).

- **The Sealing:** Just before this horror starts, the **144,000 Israelites** are completely sealed in their foreheads with the Holy Spirit.
- **The Operation:** For 3.5 years, the 144,000 and the Grafted Saints run supernatural search-and-rescue campaigns—operating under the *Seven Spirits of Authority* to feed, shield, and gather the final, massive harvest of souls out of the reach of the beast's system.

Phase E: Midnight of the Sixth Day & The Return of the King

At the exact second the 1,260-day countdown of the Tribulation expires, the **Seventh Trumpet** sounds.

The Holy Spirit instantly translates the physical bodies of the remaining saints and the 144,000 into glorified, immortal flesh. They are caught up to meet the Son descending in the clouds. Together, they land on the Mount of Olives, crush the armies of the Man of Sin at the **Battle of Armageddon**, and legally transition the earth into the **7th Day Millennial Sabbath**—the 1,000-year reign of peace.

The Ultimate Takeaway

The Third Temple is a crucial marker. Its construction represents the transition from the "burping pains" of 2026 into the formal final seven-year contract.

As these pieces begin to shift on the geopolitical chess board, do not look at these events with fear. Every step of this layout is legally monitored by the Father, paved by the Son, and actively policed by the Holy Spirit living inside you!
