**Fundraising- Team Coaches and ADs recognize that there are many costs associated with cheer. As such, it is our expectation that parents who want to fundraise to cover costs will volunteer to organize and participate in fundraisers. Glendora Tartan Cheer coaches also recognize that for some families, time is tight, and they may prefer to pay out of pocket and not participate in fundraisers. Both options are respected, and we consider it an individual family's decision whether to fundraise, pay out of pocket, or do a little of both.
