## Welcome to the Great Lakes Market

We appreciate you wanting to use our Venue to promote your Business.

We have a few house rules to make the Market Day a successful place to be.

\* Currently, while using the Great Lakes Mall as our Venue, you're provided (1) 8-ft table with a banquet table covering and a chair. One space equals an 8 ft. table (No additional space on either sides/ends of the table) Display can not exceed more than 36" high unless approved in advance of Event.

- Each additional tablespace is \$20 per day
- Set up is on Saturday between 10am-10:45am
- NO cars are to be 'parked' in front of the Mall entrance during set up or tear down.
- We suggest using a cart or dolly to transport your items from the parking lot to inside the Mall.
- The Market ends at 3pm. Do **NOT** tear down your setup prior to 2:55 p.m.
- Your table needs to be cleared off by 3:30 to allow maintenance an opportunity to remove them
- The Great Lakes Mall is open & operating at their scheduled hours, therefore people will be driving and walking through the parking lot and we highly suggest using absolute caution when loading, unloading, or crossing the parking lot
- You are expected to be at the Market for the entire time
- All vehicles are to be parked in suggested area to allow the Malls & Great Lakes Market customers a good parking option. If you are unsure what that designated area is, when you check in with an admin they will advise
- Occasionally, we will require a Chinese Raffle Basket or Raffle Item (valued TBD) for a raffle that will be drawn on an assigned Saturday(s)
- We encourage & highly suggest YOU to promote the Great Lakes Market Event to all your social media outlets
- **Only 1 Business per Vendor Space**
- We ask that **ALL** Registrations are completed by the Thursday prior to the Saturday Event you've chosen
- Registration is complete when payment in full is made
- To guarantee space, payment must be received by Thursdays @ 12pm.
- \$10 late registration fee (after 12:01pm Thursdays)
- Because we are inside Great Lakes Mall, they expect each approved Vendor to act and look professional. We need to make sure that all personal belongings are tucked away under your table. Also, any carts/dollies, bags, containers, boxes or extra product is also tucked under the table.
- We reserve the right to ask you to remove or take down products or displays if they haven't been preapproved
- For informational purposes, we are limited on Tables & have sold out by Sun or Mon of that week therefore we suggest reaching out in advance.
- **Any Food Vendors must follow Cottage Laws..... see below**
- A "Cottage Food Production Operation" is required to label all of their food products properly, which include the following information on the label of each unit of food product offered or distributed for sale:
  - 1. Statement of Identity - the name of the food product;
  - 2. Net Quantity of Contents - the net weight, in both U.S. Customary System (inch-pound system) and International System (metric
  - 3. Ingredient List - ingredients of the food product, listed in descending order of predominance by weight;
  - 4. Statement of Responsibility – the name and address of the business;

- 5. The following statement in ten-point type: "This Product is Home Produced."
- Note: If nutrient content claims (i.e. low fat, salt free, etc.) or health claims (i.e. may reduce heart disease) are made, the product must bear all required nutritional information in the form of the Nutrition Facts panel. All labeling components are to comply with 21 CFR Part 101, Food Labeling. The FDA Food Labeling Guide is an excellent resource of the proper labeling of food products.
- See the downloadable Fact Sheet on Cottage Food for an example of proper labeling.
