

WELCOME TO

The Buzz

we're so glad you're here!

**HEY, HOW ARE YOU?**

A Word from the Owners

Welcome to our September Newsletter! You may have noticed our absence in August. Falon has been a busy bee wedding planning and Christi has been keeping busy with her newborn baby! We have also been putting a lot of energy into Honey Bee Academy to make sure we have the best possible resources for you.

We hope you had a great summer. As we transition into new stages of life, you may notice the newsletter is a little shorter. Don't worry! We will put the essentials in here but will mostly post info on our Slack Channel and into our CEUs which are free to you! Remember to reach out for a contractor coupon code when you are ready to dive into your continued education.

With love and gratitude,

Christi & Falon

Mandated Reporting

WHEN TO FILE A REPORT

Anyone who has a reasonable cause to believe a child, or person 65 years or older, or an adult with disabilities is being abused, neglected, or exploited must report it to DFPS according to Texas laws. A person who reports abuse in good faith is immune from civil or criminal liability. Remember, you do not have to investigate it yourself, you only have to believe it is happening in order to have to report it.
