- The chance to meet like-minded individuals with a passion for the outdoors, in all its glory.

FMCBC requires an address for each member, and MRBS needs an e-mail address for communicating with its members, **both of which are not distributed to third-parties.

MRBS also operates **three** backcountry cabins, **Larsen, Oscar, and Anderson**. Please see our website for availability, pricing, and reservations. The cabin fees offset cabin maintenance; the largest expense being helicopter time to fly in firewood.

If you are interested to join our society of motivated members and like-minded adventure seekers, please return this signed form with the fee.
