

Mt Remo Backcountry Society

Thanks for booking the Larsen Cabin

Please remember that your booking is not reserved until an e-transfer, Cash or Cheque for full payment is received by the Mt Remo Backcountry Society. The Cabin Reservation System is included for your information. The booking policy is as follows:

50% payment is due at time of booking.

100% payment is due two weeks before start date of booking. If we do not receive 100% at this time, the reservation will be cancelled and the time will be available to other people.

We do not offer any refunds for cancelled bookings. We understand that extenuating circumstances such as weather and transportation can throw your hut plans for a loop, however **we are not able to offer refunds for any reason.**

We recommend purchasing cancellation insurance for your trip that will cover trip interruptions or cancellations.

- ✓ This is a set of guidelines for you and your party to help us keep this cabin *clean, safe and enjoyable* for everyone to use.
- ✓ The person who books the cabin is responsible for sharing this information with the rest of the group and to ensure that the guide lines are followed while using the cabin.
- ✓ Your group is responsible for arranging your own transportation in and out of the cabin. The cabin is accessible by helicopter or on foot. Please be sure you know the route out of the cabin before attempting to ski or hike out. The terrain while gentle can be difficult to navigate with poor visibility. Below are some of the helicopter companies in Terrace:

Quantum Helicopters	615-0168
Canadian Helicopters	635-2430
Yellowhead Helicopters	638-1414
Summit Helicopters	635-0046
Lakelse Helicopters	635-3245

- ✓ Remember you will be traveling in Avalanche Terrain and Bear Country.
 - In winter everyone in your party should be equipped with:
 - Avalanche Transceivers*
 - Probes*
 - Shovels*
 - First Aid Kit*
 - As well as the knowledge to use this equipment.
- ✓ Topographic Map (1:50,000 Scale):
 - Map #103I7 and 103I10 - *Lakelse Lake and Terrace*
 - Coordinates: 54.28299, -128.74474
 - Elevation: 1230m (4000 feet)
- ✓ Maximum cabin occupancy is six (6) people.

- ✓ Cellular telephones do not work from the cabin site. However they do from the ridge top overlooking town
-

- ✓ The Cabin is equipped with the following items:
 - Wood stove with firewood underneath the cabin, (axe, kindling).
 - 2 burner propane stove, with propane tanks underneath the cabin that must be turned on
 - Solar system with LED lights, No candles please
 - Pots and pans
 - Dishes and cutlery
 - Dish soap and bleach
 - Snow shovel
 - ✓ DO NOT forget that you need to supply your own:
 - Sleeping bags
 - Thermarests
 - Toilet paper
 - Firestarter and matches
-

- ✓ At the Cabin:
 - Absolutely no smoking inside the cabin
 - No hunting from the cabin
 - Use slop buckets under the sink for grey water and dump on the designated "Pee tree".
 - Absolutely no dumping garbage down the outhouse
 - Absolutely no burning garbage in the wood stove
 - Please dispose of cardboard boxes or pack them out
 - Do not split firewood inside the cabin use splitting log on the deck
 - No outdoor fires – it is a waste of firewood (inefficient)
 - Do not cut any firewood from surrounding trees for firewood
 - No outside shoes are allowed up in the loft
 - When you go out skiing or hiking:
 - Make sure door is latched and windows are closed - an open door can lead to unwanted guests (critters) that can leave a big mess.
 - Leave no fire unattended – ensure that the damper on the wood stove is closed.
-

- ✓ When your Party leaves the Cabin:
 - Cut kindling and bring in a small supply of firewood.
 - All dishes, pots and pans are washed and put away upside down.
 - Empty slop buckets and blue water jugs
 - Windows are closed and latched.
 - Sweep the floor and clean up.
 - DO NOT LEAVE ANY SPARE FOOD OF ANY KIND
 - ALL GARBAGE AND BOTTLES MUST BE PACKED OUT
 - TURN OFF PROPANE DOWNTAIRS UNDER CABIN
 - TURN MAIN LED POWER SWITCH OFF UNDER THE BAR

- MAKE SURE DORR IS CLOSED DOOR
- **SIGN the LOG BOOK**

✓ Please contact the Mt Remo Backcountry Society:

- If the cabin was left messy by the previous group
- If you notice that the cabin is low on supplies such as firewood and propane.
- If something may have broken and needs to be repaired or replaced.
