

# GEAR

Ace Fencing Academy provides gear free for the first month. After trying out the sport, you can either rent gear from Ace, or buy your own. There are many retailers online including:

[www.blue-gauntlet.com](http://www.blue-gauntlet.com)

[www.leonpaulusa.com](http://www.leonpaulusa.com)

Call a retailer and go through this list with them. They can help with sizing, and will need the fencer's measurements, so have a tape measure handy.
