You know how everyone acts  
like heaven is just some lame  
place where you float around  
on clouds doing nothing?

WTF!

So you know how everyone  
acts like heaven's just some  
place where they float  
around on clouds doing  
nothing?

THE HEAVEN  
SITUATION HAS  
BEEN GREATLY  
MISUNDERSTOOD

Some of you are thinking Heaven is just some boring church service that never ends because you met that one super-judgey religious person who made God sound like the ultimate buzzkill.

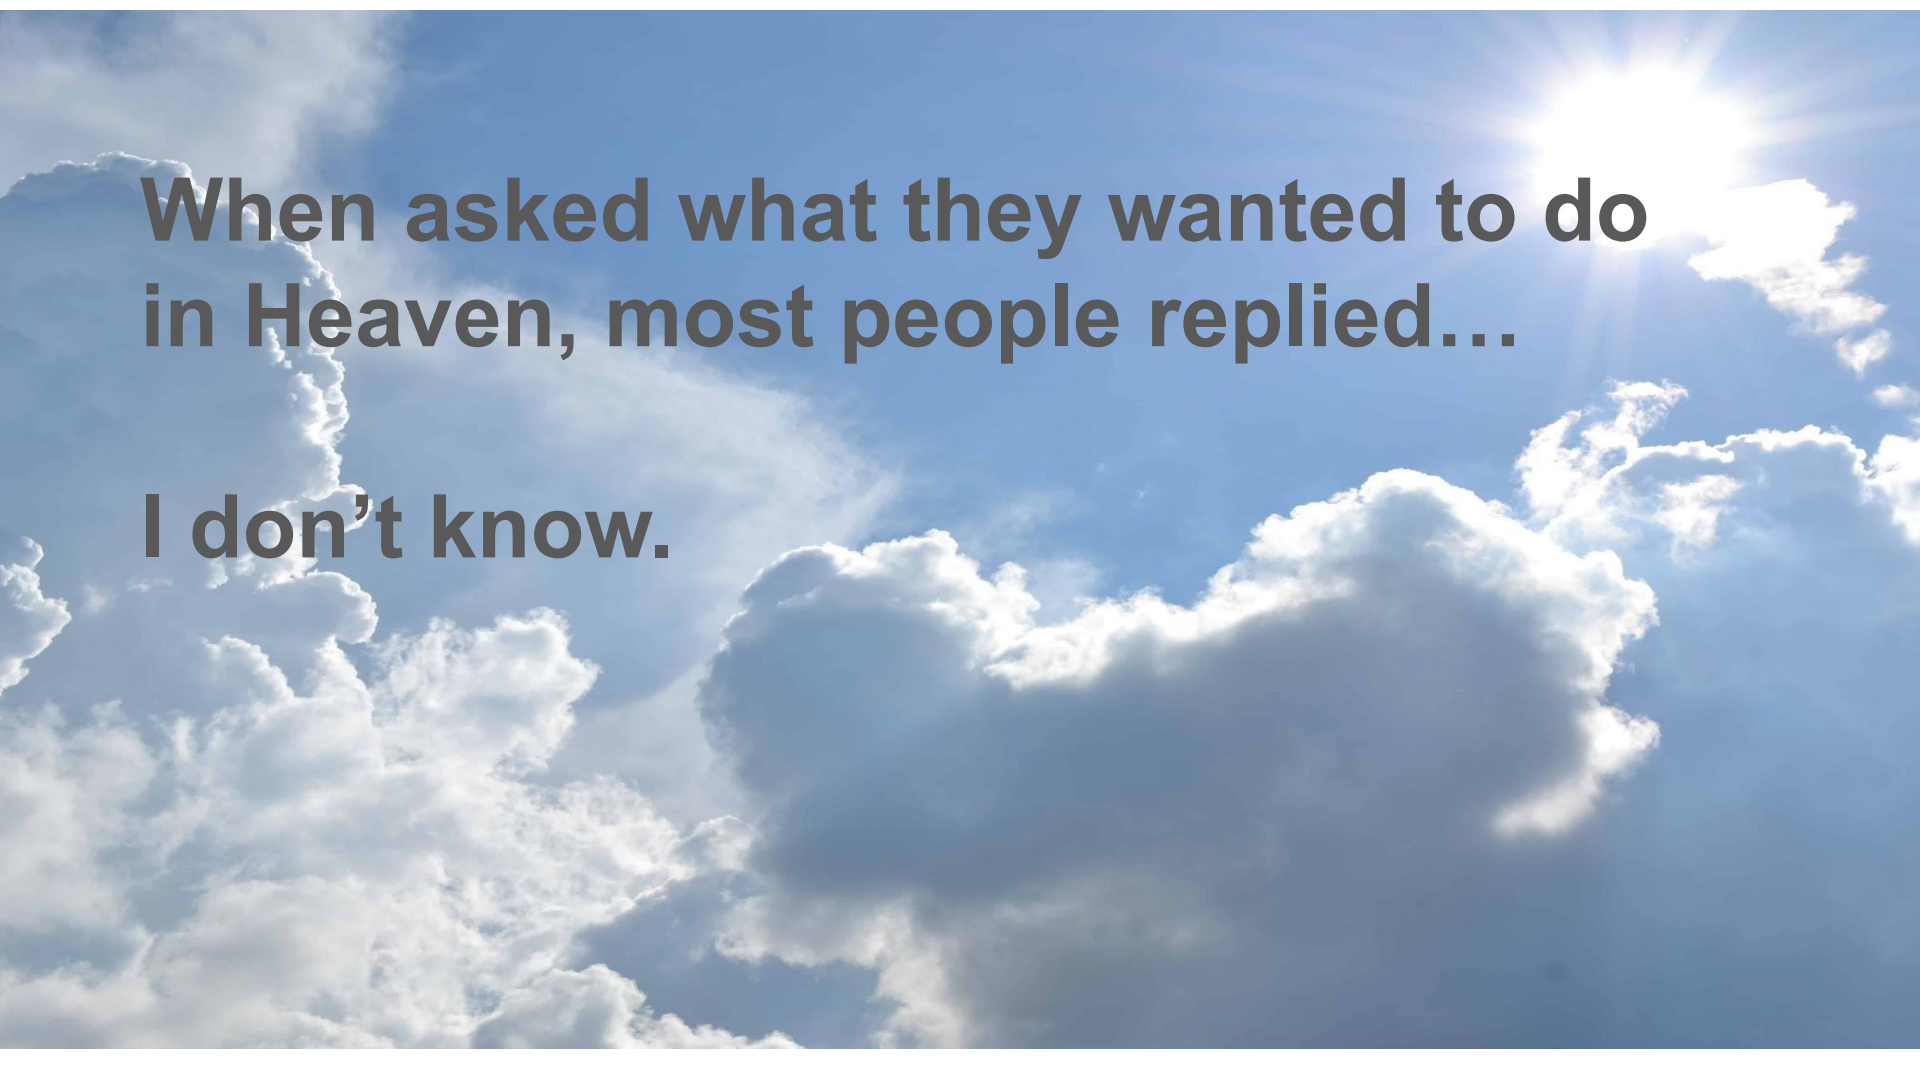

Heaven isn't about  
sitting on a cloud or  
playing a harp while  
being bored out  
of your mind

That's like using a time machine to watch paint dry.  
Your imagination is literally in airplane mode!

Your imagination is literally in airplane mode..  
Heaven isn't just marginally better than  
your current life—it's the difference  
between playing Snake on your  
grandma's flip phone and having the  
newest gaming PC with unlimited credits.

Think about your favorite thing ever.  
Maybe it's hitting that perfect TikTok transition,  
winning a game in the final seconds,  
or finally getting your crush to notice you.  
But, Heaven's happiness level makes those  
moments look like when your phone dies at  
20% and you thought you still had 50%.

I used to think heaven sounded mid.  
But when I actually got what heaven is about—a place where you're completely accepted, loved, and experiencing the kind of joy that would break the algorithms. I went from "meh" about heaven to basically counting down the days.

Heaven's got streets of actual gold—  
(not gold-plated—we're talking SOLID gold),  
a river that's somehow more refreshing than  
any drink you've ever had, and trees that  
produce fruit so good they'd make food critics  
give a compliment. It's not just "nice..."

**God's basically been sending you friend requests this whole time, hoping you'll accept to spend time with Him.**

**LIFE GETS ROUGH SOMETIMES—WE'RE ALL  
JUST TRYING TO NAVIGATE THE DRAMA,  
FAMILY STUFF, FIGURING OUT WHO WE ARE,  
AND DEALING WITH THAT DREAD THAT HITS  
AT THE END OF A GRADING PERIOD.**

But there's this whole  
eternal afterparty  
being planned, and  
you're literally one of  
the main characters.

**So maybe stop scrolling for a sec and  
consider that heaven isn't the boring  
alternative to living your best life.**
