

Steel Magnolias

M'Lynn Audition Monologue #1

Last week was our 30th anniversary. We've never considered it a major occasion before ... Drum prides himself on never having any tension. Which is amazing considering the amount he has created over the years ... Hmm.

Listen to me. I've got to stop taking pot shots at Drum all the time. He's a good man. He's crazy, but he's a good man ... The most bizarre thing has happened. Drum and I seem to be rediscovering those things that brought us together in the first place. I don't know if we buried them or became blind to them ... Every now and then Drum and I seem to find these moments of magic. I don't know. I don't know if I'm lucky to have what I have – or lucky to know what I have.
