

The job interview

- Find a job ad that you could apply for if you finish your current program (no uni degrees)
- Copy-paste the following information in a MIO to your teammates: Name of the job, name of the employer, a description of the tasks, and some requirements, especially skills and qualities
- Fill out the form at the bottom
- Prepare questions for your teammates based on their ads

Common job interview questions

- Describe a time when you stepped out of your comfort zone.
- Describe a time where you had to learn a new skill.
- Do you prefer to work in teams or alone?
- Do you value efficiency or creativity more?
- How do you deal with stressful situations?
- How do you set priorities or manage time?
- Tell us about a product you think is well-designed. How would you improve it?
- Tell us about a time you made a mistake.
- What has been your greatest personal achievement so far?
- What is your vision of yourself as a future employee?
- What kind of culture are you looking for in a workplace?
- What motivates you?
- What type of people annoy you?

Preparing for your own interview

Name of the job:

Name of the employer:

Quick list of tasks (key words):

Quick list of relevant requirements (key words), like skills and qualities:

Two of your qualities you want to discuss during the interview
