We're here when the power goes out!

UNITED POWER PRODUCTION OFFERS DUROMAX GENERATORS

Home Power Backup is For Everyone.

Power is an essential part of our daily lives, and this is especially true in our homes. We never stop to think about just how much we rely on electricity... until the power goes out.

The U.S. power grid is failing.

While we can't control natural disasters and our country's aging power grid, we can take control of our own homes.

A personal firewall for your power protection.

With DuroMax, you're not only investing in a *premium product* - you're investing in *peace-of-mind*.

United Power Production offers home backup generators from DuroMax Power Systems to ensure you're prepared for the unexpected.

We combine technical and operational expertise to deliver an outstanding client experience. Purchase your home backup generator system from United Power and protect what matters most.

New to Home Power Backup?

The idea of home power backup may sound intimidating to many. We take the guesswork out of home power backup and provide options that will suit YOUR needs.

United Power Production can help you select your complete home generator system. Contact us to learn more and take control to power your future!
