

THE SUMMERLAND COVE NEWSLETTER

A Message from our President

Dear friends of Summerland Cove,

2020 has been a year of many twists and turns; mostly due to the COVID -19 virus. The association team is disappointed that we haven't been able to do many activities as in previous years. The year started off with a few socials but then they had to be delayed. We are hoping to be able to have more activities in the coming year as the vaccine becomes more available.

Special thanks to Bob Jozwiak who has been working throughout the year maintaining the front entrance and the bridges. Others have pitched in from time to time but Bob has put in extensive hours to maintain the areas. Hopefully we can get some more support to help in the coming year.

May the holiday season and 2021 be filled with good health and much fun!

Kind regards
Marcy Matlosz

NO WAKE ZONES

Please observe the idle zones in our canals. Complaints have been received of boaters speeding in the following highlighted areas.

If you see someone speeding call FWC DISPATCH at 888-404-3922 or local Sheriff at 305-289-2351.

You should not confront the boaters - FWC prefers you call them. You can take video or pictures and send them to FWC or the Sheriffs Dept so they can speak to the violator about it.
