LETTER FROM THE PRES.

Dear Resident,

Hoping this newsletter finds all Summerland Cove friends doing well. We are looking forward to seeing all those who have been away, back into the area. In the newsletter, you will see the upcoming events and those slated for 2023.

Please come and participate in our various community activities and meet some of the new neighbors.

Let us know if you have any suggestions for other activities we can have in the community.

Kind regards,

Marcy Matlosz and the SCCA Board

HURRICANES

IAN

While we weathered the storm well with most issues being storm surge and king tides, our neighbors to the north are devastated. It certainly brings back memories of Hurricane Irma and other storms weathered in our area. Please keep an open heart to those in need and help them in whatever way you can.

CITIZEN VOLUNTEERS MONROE EMERGENCY RESPONSE CORPS

To strengthen the Florida Keys community the Monroe Emergency Reserve Corps was formed in October 2018. Citizens volunteers who go through Monroe County's Community Emergency Response Training (CERT) and become part of the volunteer Monroe Emergency Reserve Corps can obtain early re-entry placards.

To volunteer for this program, visit mercorps.org.

For more information about FEMA's CERT program, go to [FEMA CERT](#)

HURRICANES

EVACUATION ZONES AND SHELTERS

Monroe County has a comprehensive plan that calls for phased evacuation with five zones established from MM 0 to Ocean Reef. The evacuation plan is intended to avoid unnecessary evacuation, if some zones are expected to be affected and others not. Here are the zones relevant to our neighborhood if local officials order evacuations.

Zone 1: MM 0 to MM 6

Zone 2: MM 6 to MM 40

Shelter locations for Category 1-2 Hurricanes

Key West High School 2100 Flagler Avenue

Sugarloaf School

MM 19, US 1

Marathon High School

MM 50 350 Sombrero Beach Road

RE-ENTRY STICKERS

Residents may obtain one sticker for each registered vehicle by providing proof of residency at a Monroe County Tax Collector's Office. Proof of residency includes a Florida Drivers License and vehicle registration, or a property bill with an out of county vehicle registration for out of county residents who own a home in Monroe County. The new system is barcoded with color-coded stickers for zone by zone reentry. (We're Dark Pink, #1). These stickers make reentry easier if checkpoints are required to assure safe entry into the Keys.

SCOOP THE POOP

Please pick up your dog's poop when they are not on your property. All of us thank you for helping keep our neighborhood clean.

VEGETATION PICK-UP

For the safety of the Waste Management Operators keep the following items in mind when filling your drums:

- Put holes in the bottom of the drums so rainwater drains out
- Watch the weight - do not overfill - max 50 pounds
- Do not allow vegetation to be over 12 inches beyond the top of the drum.
