Our Community

Get out, get active, get connected! Club Adapt memberships open the door to rotating destinations, seasonal events, and brand-new adventures all year long. Pick the outings that fit your interests and your schedule: creative projects, cultural attractions, nature excursions, physical recreation, and learning opportunities. Come for the fun. Stay for the friendships. Join today!

Membership fees cover ongoing access to the Club Adapt program, community connections, organized events and the resources needed to coordinate and administer the program.

Club Adapt

A Social Club

**Cultivating
Companionship
in Our Community**

Group outings designed to build friendships, confidence, personal growth, and a strong sense of belonging. Each event creates a shared interest that makes it easier to strengthen existing friendships and form new meaningful connections.

WHAT WE DO

We organize inclusive social events where children, adolescents, and adults can connect, participate, and have fun in a welcoming environment where everyone feels valued, supported, and empowered.

SOCIAL CONNECTION

Meet people who share interests and build meaningful friendships.

REAL EXPERIENCES

Social growth happens naturally through sharing an experience.

PERSONAL GROWTH

Build confidence, teamwork, communication and independence.

OUR MISSION

Our mission is to empower our members to develop social confidence and meaningful connections that foster lifelong friendships while cultivating a sense of belonging.

Social

Get out, meet new people, build friendships, and enjoy meaningful experiences throughout the community.

Cubs

No Planning. No Prep.

Members enjoy a welcoming outing and connect with others without planning or setup.

Plus

A membership for those with 55+ years of experience that coordinates social events for the mature lifestyle.

After Hours

Enjoy evening and weekend outings designed to help you stay active, connect with others, and create lasting memories.

Club Adapt organizes social experiences. Support or supervision is NOT provided.
