## Doing More with Less

- ❑ All men may be created equal, but not all men can equally produce the same thing. *Acts 17:26*
- ✓ We can not all produce the same outcomes
- ✓ We do not have the same desires
- ✓ We do not look, act, or relate/respond the same way to the same stimuli

## Doing More with Less

- ❑ The Bible says we were all born to sin...  
Behold, I was shapen in iniquity; and in sin did my mother conceive me. *Psalm 51:5*

*However*

- ❑ Our genetics, environment, culture, societal enhancements or barriers impact our character

*So that*

- ❑ Our equality in being - does not mean there is equality in capability, capacity, or creativity.

## Doing More with Less

- Although the person next to us may seem to have more, produce more, or receive more, this does not mean that their increase is more.
- Many people have more because they started with more.
- Our value is when we end with more when we start with less.

## Doing More with Less

- ❑ The Bible is complete with stories of those who began with less, and ended with more – as well as those who started with more and ended with less
