# A MUSICAL MOVEMENT ON THE BEACH FOR ALL TO ENJOY

In 2019, at our inaugural festival, we had 20,000 visitors at Jellyfish and over 5,000 ticketed attendees.

In 2021, we had an estimated 150,000 people strolling along on the boardwalk and upwards of 5,000 on-site visitors to the festival.

This year's event plans to be the largest yet! With the June 4th - 5th weekend, bringing many families to Ocean City, the Jellyfish festival is projected to bring in 10-15,000 attendees over the weekend, and total walk-by traffic of 75,000 people on the Boardwalk per day!

With approximately \$2.1 million dollar renovations and upgrades to Ocean City's famous Boardwalk, to be completed in April 2022, will mark the beginning of this year's special events, with the Jellyfish Festival kicking off the season!

With this year's new revamped plan, the festivities will reach from Dorchester Street down to North Division Street covering miles of Ocean City beach and Boardwalk!
