

WEATHER POLICTY

Leagues will play RAIN or SHINE. If a team decides to postpone, it is their responsibility to schedule a make-up game with their opponent before the end of the session. If games are not made up, no wins will be awarded to either team.

Tournament cancellations will be made at the discretion of Sandlot Sports CR staff and announced no later than 30 minutes before the scheduled tournament time.

FORFEIT POLICY

If teams have a conflict with a scheduled match, teams may find subs of the same age and skill division to sub. If teams can not find subs and need to forfeit, that team's opponent will receive automatic wins for each match missed.

Bye-Weeks YOUTH

Byes must be scheduled at least one week prior to the first night of the session. If it is not, please read the above forfeit policy.

Teams that are granted a bye, whether requested or otherwise, will receive automatic wins for each match missed.

Bye-Weeks ADULTS

There will be no scheduled bye weeks. Teams must find a sub or forfeit for the week. Teams with scheduled bye weeks (if needed for the league schedule, NOT by request) will play a double header the following week. No automatic wins will be given for byes.
