ORIGIN STORY

Mama + Papa Rouge met in Wood Buffalo, fell in love in a food truck over craft beer, and brought their dream to Kelowna. "Buffalo" honours where their story began. "Rouge" is a nod to Papa Rouge—our giant ginger co-founder and brewer. Today, we're proud to share handcrafted beer, plant-based eats, and a place where everyone feels welcome.

ROOTED LOCALLY

Great beer and food start with great neighbours. Our entire kitchen is made from scratch or sourced locally from local small businesses. You're tasting the best of our community!

GOT ALLERGIES?

Please let your server know before you order so we can take extra special care of you. We love safe eating, which is why we keep a dedicated secondary fryer completely locked down for our gluten-free options.
