REAL BRIDE TESTIMONIAL

"I can't thank Chantelle enough for her fabulous make up skills, the skincare advice and the assistance on the big day! I did a trial with Chantelle so I could get a clear picture of what I wanted on the day, followed her tips and advice on products that would get my skin to be the best it could for the day. Chantelle was absolutely amazing on the day and went above and beyond. She left me glowing and with make up that lasted through the whole evening. Thank you Chantelle!"

YOUR BRIDAL EXPERIENCE

From the moment you enquire to the final touch-up before you walk down the aisle, my goal is to make the whole experience easy, calm, and enjoyable.

HERE'S WHAT TO EXPECT

1. ENQUIRY & BOOKING

Once you enquire, I'll check your date and send through a personalised quote with all the info you need to secure your booking. Your date is locked in with a signed contract and deposit so you can relax knowing your wedding morning is in good hands. I will send you a Bridal Prep Guide after booking your date, so you have some guidance on how to begin prepping your skin for your big day.

2. FIND YOUR INSPIRATION

This is the fun part! As you plan your wedding - your dress, theme and overall vibe - start saving makeup and hair looks you love (and even ones you don't). Don't stress if you're not sure yet - that's exactly what your trial is for! I'll guide you through what will suit your features, dress and overall look so we can create something that feels effortless and beautiful.

3. THE BRIDAL TRIAL

This is where we bring your vision to life. We'll chat about your dress, hair, inspo photos, and the overall feel of your day. It's a relaxed session where we can play around, tweak things, and make sure your makeup feels exactly right for you. Trials are booked separately, and are usually 12 weeks out from the wedding.

4. THE LEAD-UP

I'll touch base a few weeks before the wedding to finalise your timeline, arrival time, invoice and any last little details. Everything is organised so the morning runs smoothly, and you get to relax and enjoy the day.

5. THE WEDDING MORNING

Your wedding day is here! I'll arrive on time with everything ready to go, keeping the morning calm, on schedule, and full of good vibes. The wedding morning is such a special part of the day - it's where the excitement really sets in! I'll make sure it feels beautiful, memorable, and completely stress-free so you can truly enjoy every second.

6. THE FINAL TOUCH

As we finish your bridal glam, I ensure every detail is flawless and that you feel completely confident in your look. Before I leave, I'll also walk you through your personalised touch-up kit. This final moment is all about making sure you feel calm, prepared, and truly taken care of before stepping into your wedding day.

FREQUENTLY ASKED QUESTIONS

HOW MUCH TIME SHOULD I LEAVE FOR MAKE UP?

Make up takes roughly 45-60mins per person, and slightly longer for the bride. Hair can take between 45-60mins depending on your hair type, thickness and desired style. I will supply you with a schedule in the lead up to your wedding so everyone in your party will know their call time, and we can use the schedule as a guide for a stress free morning.

WILL MY MAKE UP LAST ALL DAY?

Absolutely! I always take into consideration your skin type, the weather, time of the ceremony etc to ensure your make up lasts all day and night. I have been specifically trained in Bridal make up, which uses certain techniques to increase longevity. You can rest assured knowing your make up will not budge!

I'M NOT USED TO WEARING MAKE UP. CAN YOU MAKE ME LOOK NATURAL?

Absolutely! I can create your perfect look, whether its super full hollywood glam, or more natural and effortless. I will always listen to your requests and discuss our options, to make sure your look is perfect for you. I carry foundations in my kit which are very sheer coverage, medium, and full coverage, so if you want a look which is more natural I can use a sheer coverage on you and will continue to check in through the service to ensure you're happy.

WHAT TIME DO WE NEED TO START GETTING READY?

I will provide you with a schedule for the morning which includes my set up and pack down time, but my end time is usually when the photographer arrives. I recommend that the bride have her hair and make up done second last in the schedule. This is because the wedding vendors start to arrive within that last hour, so its best for her to be completely done by that time.

FREQUENTLY ASKED QUESTIONS

WHAT PRODUCTS AND BRANDS DO YOU USE IN YOUR KIT?

I use luxury high end brands such as Charlotte Tilbury, Nars, Dior, Mac, Hourglass and Too Faced, with a few extra brands scattered throughout. I will always change my product choice to be specific to your skin type and desired look. There is no cookie cutter standard with my kit - every experience is bespoke and tailored to you.

DO YOU TRAVEL FOR WEDDINGS?

Yes, I will always travel to you for the morning of your wedding. Travel fees will be included in your quote to cover time and petrol, and are based on location. If a wedding is further than 2.5hrs drive from Mosman, this is then classified as a destination wedding and does carry a different set of requirements. Please reach out if you have a destination wedding and I can run through this with you.

CAN I BOOK MY WEDDING TRIAL FOR MY HENS?

Yes you absolutely can! It is a great way to assess your make up and how you feel comfortable in it through the night. I do however have Saturdays reserved for weddings, so let me know asap if this is something you are wanting to organise and I can do my best to accommodate. Trials are held in studio.

WHAT HAPPENS AT THE TRIAL?

Your bridal trial is a great way for us to meet each other before the big day, as well as go over your look and try it all on. I will sit down with you and discuss your desired look in depth, go through inspo photos, take notes on your skin type and any allergies. I then apply appropriate skincare and the full make up. I give you some time at the end to give any feedback.. You should wear your make up for the rest of the day and assess how it is wearing and how you feel, and let me know if you'd like to make any adjustments. I take notes of all products used and all feedback given to prefer back to.

THANK YOU

I hope my Bridal Guide has put your mind at ease, and now you have a bit more insight on what to expect from me as your Bridal Makeup Artist.
