## Themed Snacks

### Why The Lord Loves Lemonade 🍋

#### Bible School Snack Journey

Sometimes the sweetest lessons are the ones children can hold in their hands.

These simple snack ideas were created to help children remember each step of the lemonade journey — from the little lemon God created, through the squeezing and changing, all the way to something sweet that can be shared.

They are not about making perfect snacks.

They are about creating little moments where children can laugh, talk, wonder, and remember:

- God sees what He placed inside us.
- Jesus changes what we could never change ourselves.
- And nothing given in love is ever wasted.

Pull up a chair.

Wash those little hands.

The lemonade story is about to begin.
