#3. Scope of Services: RFQ #001-015 13 Security/ Guard Services

This partnership aims to enhance safety and security across various domains, including primary schools, residential sites, office spaces, transportation services, and future expansion projects, location and sources of interest. The following executive summary provides an overview of the proposed partnership and the associated estimated costs for the first year of operation.

1. Security for Select Primary Schools

Our proposal encompasses security services for select primary schools, ensuring a safe environment for students and staff. With security personnel stationed at each school, employing 2 guards per school, a total of 5 schools will be covered.

2. 24-Hour Security at Temporary Residential Sites

To ensure the security of program participants at temporary residential sites, 24-hour security services will be provided. Each site will be staffed with 2 guards, and a total of 3 sites will be secured.

3. Security of Temporary Office Space in Cities/Communities

The proposal includes security services for temporary office spaces located within cities and communities. Each office location will have 1 dedicated security guard.

4. Routine Transportation Services**

Security personnel will be assigned to provide dedicated security for routine transportation services. Two guards will be responsible for ensuring secure transportation.

5. Project Expansion**

In anticipation of future growth, an initial planning and consultation phase for expansion will begin active phase
