**CONDITIONAL GRANT AWARD ANNOUNCEMENT**

YES, INC.  
Larry Jenkins  
511 Fredericksburg Rd.  
San Antonio, MI 78201

Dear Larry Jenkins:

On behalf of the Michigan Department of Education (MDE), in partnership with the Michigan Department of Lifelong Education, Advancement, and Potential (MiLEAP), we are pleased to inform you that YES, INC. has been tentatively awarded a 2024-2025 Nita M. Lowey 21<sup>st</sup> Century Community Learning Centers (21<sup>st</sup> CCLC) grant. The annual amount of \$300,000.00 will be awarded for five years, beginning July 1, 2024, and extending to June 30, 2029.

The awards will be based on availability of federal funds and appropriation in the state budget. The continuation of the grants is based on these factors and successful program performance in the previous year. There are budgetary and programmatic conditions that must be submitted for review in the Next Generation Grant, Application and Cash Management System (NexSys) on or before July 31, 2024.

A grant award notification will be generated in NexSys after the federal and state budgets have been approved and the application has been received and approved by Michigan 21<sup>st</sup> CCLC staff. The grant award notification will allow access to funds through MDE funding procedures for competitive grants.

Congratulations on the success of your grant! If you have any questions about this grant award announcement letter or the NexSys submission necessary for final approval, please contact Michigan 21<sup>st</sup> CCLC staff at [21stcclc@Michigan.gov](mailto:21stcclc@Michigan.gov).

Sincerely,

Handwritten signature of Michael F. Rice in black ink.

Michael F. Rice, Ph.D.  
State Superintendent

Handwritten signature of Michelle Richard in black ink.

Michelle Richard  
MiLEAP Acting Director
