TEAM BUILDING

BEACH OLYMPICS

\$75++ per person | \$1,000++ set-up fee

Includes the following:

- 2–3-hour time frame
- DJ in Paradise
- Trained staff members / activity director
- Medals for 1st, 2nd and 3rd places
- Choice of 5 events: centipede shuffle, flipper frenzy relay, water balloon toss, duck dash, fireman relay, golf ball dash, bull's eye, obstacle course, sandy scrabble, sandy Pictionary, limbo challenge

++ Prices not inclusive of 7% sales tax and 28% service charge.

TEAM BUILDING

BEACH OLYMPICS | CHOICE OF 5 EVENTS

CENTIPEDE SHUFFLE: 5 members of each team face off against each other in this synchronized event. Participants stand together on a special board, which they maneuver from the start to the finish line. Up to 7 people will participate in this event.

FLIPPER FRENZY RELAY: Team members each dress in full snorkel gear –snorkel, mask, life jacket and oversized flippers run to the other side of the course tag the next person on their relay team, change into the snorkel gear and repeat until your team is finished.

WATER BALLOON TOSS: Teams will be paired off to compete in this event. Each pair will be given a water balloon that they must toss back and forth without popping the balloon. After each round, the group will be moved back a few feet until we have one winning pair.

DUCK DASH: Teams line up in parallel lanes with rubber duckies placed in a bucket at the end of each lane. Each duck has been numbered from 1-10. A person from each team will dash down the line to retrieve a ducky in numerical order. Once all duckies are captured the team with the fastest time wins.

FIREMAN RELAY: Members from each team will pair up in this race to fill up one large water canister using a “special” bucket (don’t mind the holes). Teammates will race to the Gulf of Mexico to fill up their bucket and then race back to their home base to be the first team to overflow their larger water canister.

GOLF BALL DASH: Two teams line up single file at the start line. A golf ball and tee are given to the first player. He/ She places the ball on the tee and tries to weave his way through the cones and back without dropping the ball from the tee. The first team to complete the course wins.

BULL’S EYE: This event starts at a giant bull’s eye on the beach. Each participant will be given one chance to throw a bean bag into the marked area to score points for their team. The number of people throwing for each team will depend on the overall group size. Point value: 25 bull’s eye, 15 second ring, 10 third ring and 5 points for anything on the outside rings.

OBSTACLE COURSE: This is a team relay event which is timed. A set number of teams will line up next to each other on duplicate courses to race for the best time. Once the person completes all the events, they must run to the start line and tag the next player on their relay team. For any obstacle that is disturbed or missed a 5-second penalty will be added. Events include, brown bag hop, hula hoop, balance beam, and bullseye.

SANDY SCRABBLE: A player from each team will run and collect a tile that will be scattered faced down in the sand. The player will retrieve their tile and return to their team table without looking at that tile. After the team has collected 20 tiles, they will turn over the tiles and start creating words just like scrabble. There will also be bonus tiles to score more points. Each letter is worth a certain number of points. This is a timed event

SANDY Pictionary: Each team is provided with an 8’ square in the sand. The team chooses one person to begin drawing; this position rotates after each correct answer. The drawer chooses a card provided, and on cue begins to draw pictures in the sand (using beach friendly biodegradable spray paint) which suggest the word printed on the card. No numbers, letters, or verbal clues allowed. Each team has 5 minutes to guess correctly; earn 5 points per correct answer!

LIMBO CHALLENGE: How low can you go? 4 team members from each team will compete in a “last man standing” limbo challenge with our custom-made high gloss limbo sets.

TEAM BUILDING

BUILD A BOAT & FLORIDA BOBSLED

\$1,000++ set up fee & \$75++ per person

++ Prices not inclusive of 7% sales tax and 28% service charge.

BEACH CLEAN UP

\$1,000++

This is a great way to give back to Marco Island. Enjoy a beach walk while cleaning up our beautiful beach. The walk is guided and very educational. Guests will learn about why our beaches are so white, where shells come from, and the history of beautiful Marco Island!
