

I Believe in Me

I'm not the fastest runner, or the winner of the race ...
I may not win the blue ribbon, but I run at my own pace.
Maybe I'm not the most popular, or the leader of the crowd ...
But I always try to do what is right. Of that I can be proud!

There's not much I am good at,
Don't know yet what I'll be ...
But whatever I do, I'll do it well,
'Cause I believe in me!

I may not get a passing grade on every single test ...
I may not make the honor roll, but I always do my best.
Maybe I'm not the star player who scores every goal of the game ...
Maybe I don't win the medal, but my effort is worth the same.

There's not much I am good at,
Don't know yet what I'll be ...
But whatever I do, I'll do it well,

'Cause I believe in me!
