

Emily Musendo

Adult & Children

Case Manager

MOSAIC
CASE MANAGEMENT

Experience

Emily is a qualified Social Worker with a Master of Arts in Social Work and a Bachelor of Science (Honours) in Public Health. She is an accomplished case manager with experience supporting children and adults across diverse clinical disciplines and care settings, including hospices, hospitals, community services, and the private sector.

Emily brings advanced knowledge in complex and rehabilitative care, risk assessment and management, team leadership, and multi-agency coordination across statutory and independent providers. Her practice is consistently person-centred and outcomes-focused, enhancing each individual's quality of life through compassionate, evidence-based care.
