Professional Tools & Technology: Stencil printer & thermal imagers; Inkjet stencil paper; Tape (clear, masking, fabric medical).

Amenities: Client snacks & Keurig coffee cups; Fridge, microwave, and toaster oven/air fryer; Paid advertising & social media promotion.

Software & Booking Options

Independent contractors may **opt in** or **opt out** of the studio's integrated **Punchey/Tattoo Pro POS and software**.

Feature	Opt In (POS & Software)	Opt Out (Independent)
Online booking on shop website	■ Yes	■ No
Automated deposit collection	■ Yes	■ Manual
Client payment processing	■ Shop handles	■ Artist handles
Booth rent/commission deductions	■ Auto 1099 payout	■ Manual payment
Integrated client records & waivers	■ Stored securely	■ Artist stores
Shop marketing included	■ Yes	■ Yes
Transaction fees	Shop pays	Artist pays

Benefits of Opting In: Focus on tattooing while the shop handles payments, deposits, and scheduling. Clients can book you online, increasing visibility. Automatic reporting for taxes and simplified payouts.

Benefits of Opting Out: Full control of your own payment methods and client transactions. No reliance on shop software — manage your own schedule and finances.
