

PDI Staircase to Success

Before moving up to the next step on the staircase, the competency of the current step must first be demonstrated.

NO HOME PRACTICE

STAY ON SAME STEP

Go down a step if:

- Too many time-outs
- Too many escapes
- Derailment due to missed sessions

For very aggressive children:

- Stay in TAC
- Add time-delayed restriction of privileges

Public Behavior & Sibling Interaction

Time-out with Suspension of Privileges

House Rules & Child Using Steps for Accepting Time-out

Child Able to Accept Time-out

Effective Command and Big Ignore

Child-Directed Interaction (CDI)

PCIT for Older Children
