

## Real-time financial insights— powered by Digits and Floating Magnolia Bookkeeping

### Traditional accounting is broken

- ✗ Financial reports delivered weeks after month-end
- ✗ Confusing data that requires expert interpretation
- ✗ Static reports that don't answer your questions
- ✗ No visibility into real-time business performance

Digits & Floating Magnolia Bookkeeping have fixed what's broken. As a Floating Magnolia Bookkeeping's customer, you get FULL ACCESS to Digits reporting.

- ✓ **Real-time finance dashboards updated 24x7**  
*See your business performance as it happens, not weeks later*
- ✓ **Powerful AI insights trained on \$800+ billion in transactions**  
*Automatically identify trends, anomalies, and opportunities*
- ✓ **Natural language queries for instant answers**  
*Ask "What caused our expenses to spike?" and get immediate insights*
- ✓ **Interactive charts with hover-to-discover functionality**  
*Drill down to transaction-level details with a single click*
- ✓ **Get strategic financial guidance from Digits experts**  
*Human expertise accelerated by powerful AI*
- ✓ **Fully deployed in days not weeks**  
*The Digits team will get your finances where you need them to be quickly*

**Real-time financial insights**—

Bookkeeping

## With your finances, speed truly matters

In today's fast-paced business environment, waiting for perfect data means missing opportunities. Our platform delivers:

- ✓ **Real-time financial insights** always updated, always accurate
- ✓ **Make faster key decisions** based on your real-time finance data
- ✓ **Reduce manual work & mistakes** with accurate AI automation
- ✓ **Improved strategic focus** by eliminating tedious data entry

I've been struggling with this for weeks, trying to piece it all together. This is exactly what I needed. It just makes everything click.

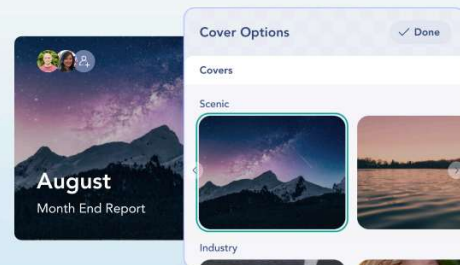

**Client on Digits**

**SOC 2  
TYPE II  
CERTIFIED**

### Bank-grade security

Your data stays secure with SOC 2 compliance, AES-256 encryption, no third-party AI exposure, and U.S.-based processing.

### The new standard in FinOps

Floating Magnolia Bookkeeping is one of the first U.S. accounting firms to offer FULL Digits access to all of its clients.
