

# FIRST RESPONDERS HERITAGE FOUNDATION

## IMPACT REPORT 2023

# Friends and Family of First Responders Heritage Foundation:

**Kolby Hunter**  
*FRHF President*

We started the year with a vision, and made that vision a reality with the formation of the Foundation. This past year, the Foundation primary focus was centered around IRS approval of 501(c)3 status, and raise the necessary funds to make that dream a reality. Doing so will enable the Foundation to enter the new year with the necessary funds to launch support programs and specific initiatives.

This upcoming year is going to be pivotal for the Foundation as we begin our journey from a solid foundation that will bring us closer to our vision. The formation of our Foundation will provide the groundwork for long-term success and growth.

By establishing a solid foundation, we aim to strengthen our programs, expand our reach, and enhance our impact. This endeavor stands as a testament to the collective dedication and commitment of donors who have tirelessly worked towards realizing our shared goals.

Looking forward to the coming year, there are several key initiatives that we have planned to bring our vision to life. I am thrilled to share a glimpse of what lies ahead for the First Responder Heritage Foundation:

- Program Offerings: We will be introducing new programs and initiatives that address emerging needs. These programs will be specifically designed to cater to the diverse needs of the community.

- Expanding Outreach: Our foundation will enable us to expand our reach beyond regional boundaries. We will actively explore opportunities to extend our presence to new communities, in order to touch the lives of heroes in need.
- Building a Strong Network of Supporters: A strong support system is essential for the success of any non-profit organization. We will be actively engaging with our donors to nurture this network and show our sincere appreciation for their invaluable contributions.

I am truly excited about the possibilities that lie ahead and the positive impact we can create in the coming year. It is through your continued belief in our mission and unwavering support that we will be able to turn these plans into reality.

With Much Respect,

**Kolby Hunter**

Our mission at First Responders Heritage Foundation is to honor and preserve the legacy of our nation's brave first responders. Through our programs and services, we strive to recognize the selfless sacrifices made by these heroic individuals and their families. Additionally, we provide essential gear to first responder chaplains and peer-support personnel, ensuring they have the necessary resources to effectively serve and uplift their fellow responders. We are committed to supporting and empowering the first responder community and fostering a culture of gratitude and respect for these courageous individuals.
