COLLEGE TOURS

FOR COLLEGE-BOUND STUDENTS IN GRADES 10-12

WHO WE ARE

Bloom Global Travel is a college-access resource and professional travel agency providing educational and exploratory opportunities for youth. Through thoughtfully planned college tours, we help students move beyond online research, experience campuses firsthand, and make informed decisions about their education, intended major, and future career.

Explore your options. Experience the campus. Envision your future.

PURPOSE

Why College Exposure Matters

Choosing a college is an important decision. Bloom College Tours welcome students from every background. We spotlight Historically Black Colleges and Universities (HBCUs) known for academic strength, research, innovation, accomplished alumni, vibrant campus communities, and student success.

OUR GOAL

Ensure these outstanding institutions become part of every participating student's college consideration set.

TOUR NETWORK

Featured Institutions

- Kentucky State University — Frankfort, Kentucky
- Howard University — Washington, D.C.

Featured institutions and itineraries are subject to availability and final confirmation.

THE BLOOM EXPERIENCE

What Students Receive

Every tour combines professionally coordinated travel, structured college access, student preparation, and attentive supervision.

Travel, Care & Preparation

- Round-trip professional motorcoach transportation
- Reputable hotel accommodations and daily hot breakfast
- No bed sharing - each student will have an individual bed
- Select campus lunches and boxed dinners
- Travel insurance and trained staff supervision
- Required pre-tour student orientation
- Official Bloom College Tour T-shirt

College Access & Engagement

- Guided campus tours and admissions presentations
- Meet-and-greet opportunities with college representatives and students
- Information about majors, academic programs, and student resources
- Common Black College Application fee for eligible 11th- and 12th-grade students

MORE THAN A CAMPUS VISIT

Students gain an authentic look at college life through campus exploration, admissions engagement, and conversations with current college students. On select campuses, students may also meet Bloom College Tour alumni who now attend institutions we frequently visit.

- Compare colleges, programs, and campus environments
- Explore majors connected to career goals
- Return home prepared to make confident college decisions
- Ask meaningful questions about admissions and student life
- Experience HBCU traditions, innovation, and community

ACADEMIC OPPORTUNITY

Excellence, Innovation and Student Success

Howard University
A Carnegie R1 university advancing research in artificial intelligence, cybersecurity, health, atmospheric science, and quantum information.

Spelman College
A leading producer of Black women who later earn doctoral degrees in STEM fields.

Tuskegee University
The only HBCU designated as a National Historic Site and home to the legacy of the Tuskegee Airmen.

Hampton University
Led AIM, the first NASA satellite mission directed by an HBCU, advancing atmospheric and climate science.

North Carolina A&T
The nation's largest HBCU and a leading producer of African American engineers and agricultural scientists.

Florida A&M University
Expanding research, innovation, technology, and industry partnerships that create opportunities for students.

Kentucky State University
Kentucky's only public HBCU and an 1890 land-grant university.

PARTICIPATION

Is This Tour Right for Your Student?

Bloom College Tours are designed for college-bound students who are ready to explore their options with purpose and participate fully in the experience.

Who May Participate

- Students currently enrolled in grades 10-12
- Students with a cumulative GPA of 2.5 or higher
- Students with a GPA from 2.0 to 2.49 who receive a counselor recommendation
- Students prepared to participate fully and take the college-selection process seriously
- Students who attend the required pre-tour orientation
- Students without ongoing behavioral or disciplinary concerns who can listen to and follow instructions and tour rules

Ninth-grade students may join the interest list or waiting list for future opportunities.

GET STARTED

Five Simple Next Steps

1 Review the Tour Schedule
Visit www.bloomglobaltravel.com to review current dates, destinations, featured institutions, pricing, registration details, deadlines, and payment plans.

2 Join a Parent Information Session (Optional)
Register under the Parent Info tab to learn how the program works and what families should expect before departure.

3 Connect With the Bloom Team
Email tours@bloomglobaltravel.com with questions or to discuss whether flexible payment arrangements may be available for your family.

4 Secure Your Reservation
Pay the tour balance in full or submit the required deposit and enroll in a payment plan.

5 Attend the Required In-Person Orientation
The student participant and one parent or legal guardian must attend together in person. The orientation date, time, location, and address will be provided to families after the reservation has been secured.

YOUR COLLEGE JOURNEY STARTS WITH EXPOSURE

Explore your major. Experience the campus. Ask meaningful questions.
Dream it. Plan it. Pursue it. BLOOM.
