# on Improvisation

(or collaboration, or life...)

The first rule of improvisation is AGREE.

**Always agree and SAY YES...**

“Respect what your partner created” and...

at least start from an open-minded place.

The second rule of improvisation is not only to say yes, but

**YES, AND.**

You are supposed to agree

and then

**add something of your own.**

The next rule is **MAKE STATEMENTS.**

This is a positive way of saying “Don’t ask questions all the time” ...

In other words: Whatever the problem,

**be part of the solution.**

**THERE ARE NO MISTAKES,**

only opportunities.

# Additional Rules

- Make your scene partner look good
- Say the 1<sup>st</sup> thing that comes into your head
