As we gather again, we hope you had a patriotic **4th of July** celebrating the freedoms that make our nation great.

Looking ahead, **America's 250th birthday is just around the corner in 2026**—a milestone that reminds us how important it is to stay engaged, informed, and united in preserving our republic. We can't wait to see you and kick off the second half of the year together!

Mesa Republican Women's July Meeting

🎆 **Honoring the Spirit of 1776** 🎆

July is always a special time in America marked by Independence Day, summer vacations, BBQs, parades, and fireworks. It's also a time to reflect on the stories of grit, resolve, and divine providence that shaped our founding.

Mesa Republican Women is pleased to welcome several talented and patriotic ladies from our sister club, Republican Women of Prescott, the largest club in the country, who will perform a medley of stirring patriotic songs. Their voices will lift your spirits and set the tone for a heartfelt celebration of freedom!

Our own Cindy Biggs will share the dramatic and heroic midnight ride of Caesar Rodney, who cast the deciding vote for Delaware — and ultimately for American independence — on July 2, 1776. His sacrifice, courage, and personal conviction in the face of grave illness and great risk is a powerful reminder of what one patriot can do.

We're also honored to welcome Senator Jake Hoffman, who will tell us the story of "Victory or Death: How America's Revolution Nearly Failed". His message recounts the desperate winter of 1776, General George Washington's bold crossing of the Delaware, and the unexpected victory at Trenton — a turning point when many forefathers and foremothers had nearly lost hope. In times of despair, courage and leadership make all the difference.

District 15 Senator
Jake Hoffman

Join us as we honor those who risked everything for liberty — and be reminded why the American spirit must never waver.

RECENT EVENTS

12 Days, One Message: Peace Through Strength Wins

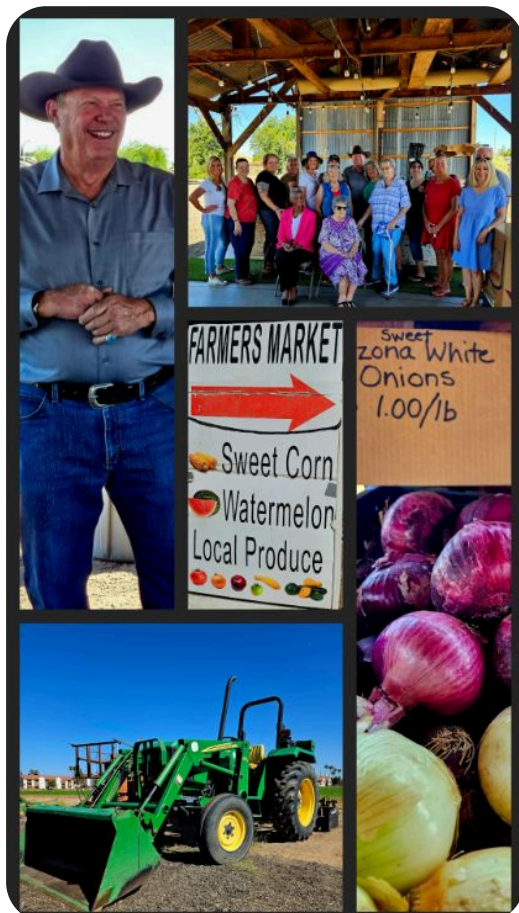

Under President Trump's bold leadership, the United States decisively acted to neutralize Iranian nuclear threats—with precision only our military can accomplish, we struck their key facilities sending a strong and crystal-clear message to Iran and the world.

Faced with U.S.-backed Israeli offensives, Iran launched a symbolic missile barrage at U.S. bases abroad—not a single American was harmed, thanks to top-tier missile defenses and early warnings.

Trump leveraged U.S. strength and smart diplomacy—working through strategic channels like Qatar—to broker a full ceasefire.

No drawn-out conflict. No American casualties. No apologies for defending freedom.

When America stands firm, peace follows.

🌽 A Memorable Morning at the Corn Patch with Mayor Freeman 🌽

Thank you to all our members who joined us for our inaugural ***“Mayor on the Move with Mesa Republican Women”*** event! It was a wonderful morning of connection, community, and conversation at **Corn Patch Farmers Market**, operated by our very own **Mayor Mark Freeman**.

We were treated to an insightful Q&A session with the Mayor covering the current state of Mesa and what lies ahead, and of course—some of the freshest, most delicious farm-to-table produce you can find!

Your thoughtful questions and engagement made this event truly special. A heartfelt **thank you to Mayor Freeman** for his time, honesty, and commitment to keeping Mesa strong and thriving. This is just the beginning of many great conversations to come as we work together to shape the future of our city.

Stay tuned for more opportunities to connect and grow—together. 🌱

Ashley Trussell – MRW President

Nancy Cottle – First Vice President / Programs

Nancy Salmon – Immediate Past President

● **Attention SRP Property Owners in Mesa** ●

If you or someone in your household **owns property in Mesa**, you are eligible to vote in the **critical Salt River Project (SRP) elections** happening **April 7, 2026**—but **you must register in advance** to receive your early ballot.

⚠ **This is a critical local election for conservatives in 2026.**

➡ **46 seats are up for grabs**, including board and council positions that control **energy rates, water access, infrastructure projects, and long-term power planning**.

➡ **Only landowners can vote**, and with voter turnout historically under 2%, **just a handful of votes can swing entire districts**.

🔒 **Why it matters to conservatives:**

SRP is one of the last major utilities **not fully captured by extreme green energy mandates**. If we lose control of the board, we risk following in the footsteps of APS—where progressive leadership has pushed costly “green new scam” policies, triggering **significant rate hikes** for families and small businesses. SRP is already under pressure from climate activists. **We must hold the line.**

 **Key Timeline:**

Mid 2025 – Early ballot registration window opens (registration required)

October 2025 – Candidate forum & official list released

April 7, 2026 – Election Day

✅ **Protect conservative leadership. Stop radical energy mandates. Keep utility rates in check.**

Your property. Your vote. Your responsibility.
