

THE OFFICE OF
FIRST LIEUTENANT MARK C. BASHAW

April 14, 2023

The Honorable Representative Austin Pfluger
1124 Longworth House Office Building
Washington, DC 20515

Dear Congressman Pfluger,

Please act upon this petition for redress and help me continue to well and faithfully serve my country as an Army Officer. The Army is retaliating against me for whistleblower activity regarding now rescinded COVID policies. Time is of the essence as I am pending imminent separation from the Army due to COVID-related policies.

As a commissioned officer in the Army Medical Service Corps sworn to the Constitution, it was my duty to report violations of law and truthful, relevant information up my chain of command, and subsequently to Congress when my chain began to punish me for fulfilling my duty. I professionally reported about unlawful orders and coercion around emergency use authorized COVID-19 products, specifically regarding their substantial dangers to public health and safety (CDC VAERS Data, DMED Data), violations of Army regulation, violation of Federal Statutes, and violations of our Constitution. The Army retaliated against me after reporting protected communications to my chain of command by creating catch-22 situations to entrap me, such as levying requirements upon me that prevented me from going to work.

I had an exemplary 16-year career prior to the COVID policies that targeted religious members for abuse and discrimination. Despite following proper protocols with strict professionalism in reporting violations of law and impacts to readiness, I was: 1) threatened with Fort Leavenworth imprisonment for not wearing a mask, 2) labeled as an "insider threat," 3) denied security access to my post and buildings, 4) denied career progression, 5) had promotion to Captain rescinded, 6) Court Martialed, 7) forced to a weaponized command-directed Behavioral Health appointment, 8) denied medical treatment and admonished, and 9) had CPS and Military Family Advocacy Program used to threaten my family. I am 10) about to be separated from the army after 17 years of honorable active duty service to our Nation pending in an Officer Elimination (General Discharge).

As you are aware, the Department of Defense rescinded the COVID-19 mandate. Rescission is a legal term meaning to annul as if it never existed. I request your intercession on my behalf to Secretary of the Army to highlight the key aspect of congressional intent that rescission means the second and third order effects from the mandates are undone as well, including my pending Officer Elimination driven by the COVID-19 mandates.

I petition you to author a letter with other Members of Congress that requests the Secretary of the Army to:

1. make a "retain" determination upon Lt Bashaw's pending Officer Elimination.
2. order the Army Human Resource Command to unflag Lt Bashaw's personnel record of all unfavorable personnel actions related to incidence as a result of COVID19 mandates
3. reissue Lt Bashaw's withheld Captain Promotion with a date of rank of 08 March 2021, and issue back-pay in this earned rank of OE3 (Captain) from 08 March 2021 to present.
4. provide Lt Bashaw with an assignment per the Married Army Couples Program (MACP) to prevent the dislocation from his family with his wife's current pending assignment to Lackland AFB, Texas.

Despite the abuse I have suffered, I believe I have been put into this place seeking reconciliation so that the Army can find redemption after the untold and incalculable harm of its COVID policies. I love my country. Here I am, ready to continue serving amidst the readiness crisis caused by its COVID policies. Please let me.

In service,

Mark Charles Bashaw
First Lieutenant
