(Notice to Agent is Notice to Principle and Notice to Principle is Notice to Agent)  
OFFICE OF THE MAYOR  
Newburyport, Massachusetts  
60 Pleasant Street, P.O. Box 550  
Newburyport, MA 01950  
United States

Dear Mr. Reardon,

It has come to my attention that you are intending to display a "trans flag" at City Hall, located at 60 Pleasant Street, Newburyport, Massachusetts, 01950, United States, on March 31<sup>st</sup>, 2024. I wish to bring to your attention that such a display in an attack on the supreme law of our land, which is founded upon the laws of nature and nature's God.

As a child of God, proud American and one of the People, I, Mark Charles Bashaw, hold a deep reverence for our community's values, traditions, and laws. With over 18 years of honorable service in the military, including 10 years spent overseas, I am committed to ensuring our form of government is maintained (Constitutional Republic). It is also my responsibility as one of the people.

Moreover, it is worth noting that I have a profound connection to Newburyport, Massachusetts, where I was born and raised.

According to the supreme law of our land, which encompasses the principles of natural law and common law, the will of the people is paramount. Therefore, it is imperative for public servants, such as yourself, to understand that in a Constitutional Republic, the authority of government derives from the consent of the governed, and public officials are bound by oath to uphold and defend the Constitution and the rights of the people.

Furthermore, the display of the trans flag at City Hall is not merely a symbolic gesture; it is a direct attack on the will of the people, as expressed in the social contract outlined in the Massachusetts Constitution. By promoting ideologies that contradict the values and principles upheld by the people (men and women), such actions undermine the very foundation of our republic and threaten the integrity of our social contract.

Additionally, the creation of man and woman by God, as stated in Genesis 1:26-28, affirms the natural order of human existence, which your intended display disregards.

Moreover, your actions are contradictory to Public Law 97-280, which reaffirms "In God We Trust" as the national motto and mandates its display in public buildings. The display of the trans flag undermines this mandate and is incompatible with the principles enshrined in our nation's laws.

Therefore, I hereby demand that you cease and desist from displaying the trans flag at City Hall on March 31<sup>st</sup> or any other date. The trans flag is NOT to be flown at all, as it is a violation of the supreme law and a direct affront to the will of the people, the natural order ordained by God, and Public Law 97-280.

Failure to comply with this demand will result in further lawful action being taken against you, in accordance with the principles of justice upheld by our legal system.

Respectfully,

  
Mark-Charles; Bashaw  
FIRST LIEUTENANT, Army  
Sui Juris

**\*\*NOTICE - CEASE and DESIST\*\***

23 March 2024

Mayor Reardon,

I write to you as a concerned American deeply troubled by recent developments regarding the proposed display of a "trans flag" at City Hall. As a proud native of Massachusetts and a dedicated servant who has devoted over 24 years of my life to the military, securing our way of life by defending the Constitution, I have a duty to put you on notice of this debauched intentions goes against everything we stand for as Americans.

The decision to raise the transgender flag is not only disrespectful but also a dishonor to the sacrifices made by countless brave men and women who have served our country with honor and distinction. It is a stark betrayal of the principles of liberty, justice, and freedom for which they fought valiantly.

Furthermore, as a devout believer in the values ordained by God and as someone who holds dear the sanctity of our Constitution, I find it deeply troubling that such a display would be considered acceptable. Our nation was founded upon the principles of natural law and common law, and the intended display of the transgender flag at City Hall flies in the face of these fundamental truths.

Moreover, I must bring attention to the alarming dangers associated with transgender hormone blockers, which are often prescribed to children undergoing gender transition. The drugs have been linked to irreversible physical and psychological harm, including stunted growth, infertility and osteoporosis. Additionally, the mutilation of children through irreversible surgeries to conform to a gender identity is a travesty and a violation of their human rights.

The long-term mental health harm caused by transitioning sexes cannot be overstated. Studies have shown elevated rates of depression, anxiety and suicide among transgender individuals, even after undergoing "gender-affirming" procedures. This demonstrates the inadequacy and harm inherent in attempting the change one's biological sex. By raising the "trans flag", you are signally your support for the previously mentioned atrocities.

I implore you to reconsider your decision and to cease and desist from displaying the trans flag at City Hall on March 31st or any other date. Such an action not only violates the laws and principles that govern our society but also disrespects the will of the people and the foundational values upon which our nation was built.

Failure to comply with this demand will subject you to a potential "Breach of Contract" with your Oath of Office which you swore to defend.

Respectfully,

William Moseley  
LIEUTENANT, U.S. Navy

Mayor Reardon or agent thereof  
OFFICE OF THE MAYOR  
Newburyport, Massachusetts  
60 Pleasant St. P.O. Box 550  
Newburyport, MA 01950

Mayor Reardon,

I have been made aware by many individuals in concern, and the Newburyport daily newspaper that you plan on flying an unconstitutional flag {trans-flag; light blue, pink, white} at City Hall in Newburyport MA at 60 Pleasant Street. This is an official command, as a member of the Massachusetts polity & deciding body of the people, to cease and desist this planned unlawful display & action.

The flags afforded to fly without special permissions are that of the nation, the state, branches of the military, and POW. Permissions for affordances to fly other unlawful flags must be submitted and voted upon AND not be an affront to any existing legislation regarding flag displays.

If your or your offices' claim is that the Newburyport Government is speaking on behalf of its government AND their constituents you'd have to declare both enemies of the state & nation; as all of the variations on the Pride flags (including all gender bending flags for various pronouns, trans, etc.) are subversive and Marxist in origin.

No constituency in its majority has requested the Government undermine the families it represents. Hoisting a flag of a special interest group that has an over 40% suicide rate and no means of reproducing additional citizens is not the request of the or a community. There is no such thing as a community without the members spanning generations in age and producing generations of children. Something the special interest pride groups fail. This maneuver is to directly back and display favor for a special interest group at the expense of the polity and its beliefs.

The letter of the law can not save you from the color of it. Going through with your subversive behavior and fly subversive flags on public ground undermining the unity of the polity is a violation of your oath of office. We the people of Massachusetts command you CEASE AND DESIST this proposed action to avoid any further or unforeseen repercussions.

I hope this finds you well and you're wise enough to heed this command,  
Brandon Hayes  
President of The Natural Law Institute
