Interested in male or female?

What is your coat color preference?

What is your size preference for your puppy once it's an Adult:

(This cannot be guaranteed but we can make a good guess)

What is your timeline for getting your new dog/puppy?

Is it important that the dog/puppy be 100% housebroken when you adopt it?

(Most puppies are not 100% trained until they are about 6 months to a year old.)

HELPFUL INFORMATION

Who all resides in your household, names, ages?

Do you have children in your house or that visit you regularly? Ages?

Is everyone welcoming to the idea of a new dog/puppy?

Is anyone in the home allergic to dogs?

Do you have a securely fenced yard?

What is the Fence Material?

How do you plan to exercise your dog?

What training do you plan to do with your Sheltie?

Have you ever had a herding breed before (such as a Collie, a Sheltie, an English Shepherd, a Border Collies or an Aussie)?

Do you understand that Shelties are known for barking?

Will a dog/puppy that barks be a problem?

LIFE STYLE

Do you understand that a sheltie needs to be brushed regularly? Shaving a sheltie is not recommended.

Where will this dog spend its days/nights?

Why do you want to add a dog to your family?

What type of obedience training will you be doing with your Sheltie?

How long do you expect the puppy to be left alone each day?

(What about after Covid-19 restrictions are lifted?)

Do you have any plans to show your sheltie?

(Please specify Rally, Obedience, Agility or Confirmation)

Do you have any plans to breed your sheltie?

Do you plan to Spay or Neuter?

What are you planning to feed your new sheltie? Type and Brand?
