### ***Dancer Drop Off and Pick Up Procedures***

Upon arrival, please park anywhere that you find available in the galleria. You will enter the main entrance and find signage for dancer drop off to the right of the amphitheater.

One parent representative will need to find the security check in station and check in their dancer. Dancers will come ready for their first dance. Parents will stop at the dancer check in, receive a wristband with their child's name, and the dancer will be sent to their class area where faculty and assistants will take care of them. We will have all the students on a specific blanket per class in front of the stage that they will sit on until it is their turn to dance. Parents are then encouraged and able to go and view our merchandise table once you have found your seats. Please bring a blanket or a folding chair to set out in the grass. Signage will be at the event for assistance. *Please* take your tiny dancers to the public restroom located next to Café Blue before dropping them off.

After your dancer has danced in their final dance, please head back to the security station to show your wristband and pick up your dancer. We would love for you to finish watching the show!

### ***Cast Party***

We invite our dancers and families to stick around and celebrate *HOPEFUL!*

In an effort to keep the event safe, our recital vendors will be in the area by the library. We invite you to celebrate *away from the green space* after the show so we can prepare for the next show. Don't miss out on the fun! Feel free to visit with our vendors on site and partake in the fun that follows the production.
