- Dancers should be in full makeup, hair, and costume with dance shoes. They should have nothing else with them. Our designated helpers will take your dancer backstage after check-in.
- Make sure everything is labeled so nothing is lost

What if I have a dancer or dancers dancing in 2 different shows?

- Is your dancer in classes that are in different shows? You do not need to purchase any additional tickets. We will have a list of who this affects so our door holders will know.
- You can check your dancer out of the 2nd show after they dance

What if I have dancers in multiple dances?

1. Be sure they know what each dance number is and where it is in the show. There will be helpers to tell them when it is time to go on stage.

2. Label a bag with a costume description, tights, shoes, and what hairpiece they will need. Everything should be LABELED and placed in one hanging bag (including shoes). Put the hanging bag into a labeled laundry basket. When your dancer changes, they can put everything into their laundry basket so nothing gets lost!

3. Are they wearing pink and tan tights? Make sure they know which comes first

4. No one will miss their dance! We have a checklist for each dance to ensure that ALL dancers will be on stage
