A MESSAGE FROM THE DIRECTOR

Hi parents, caregivers, and friends of adults with autism—

YAAS turns three years old this May, and we're so proud of how far we've come. As we keep growing, we're ready to offer even more opportunities for connection and community—but we can't do it without your help.

If you're a parent, caregiver, or someone whose life has been touched by autism, I'd like to invite you to join our volunteer support team.

Check out the box to the right to see some opportunities that you may be interested in.

With gratitude,
Darus Juarez
YAAS Club Director

BECOME A VOLUNTEER

For Young Adults with Autism

Here are a few ways you could help (even one area makes a big difference):

1. Event ideas + planning – Help find activities that our members will genuinely enjoy
2. Local discounts – Help us secure venue discounts so events stay affordable
3. Host a recurring activity – Lead something you enjoy (monthly hike, movie night, game night, etc.)
4. Fundraising – A self-starter who can help create and run fundraising efforts
5. Grant writing – If you have experience writing grants, we would love your support
- 6.

If you're interested—or even just curious—please reach out to me at darus@yaasclub.org and we can chat about what would be a good fit.
