A MESSAGE FROM THE DIRECTOR

Dear Friends,

YAAS is growing, and I'm excited to share what's happening. We've welcomed two new staff members: Cal King, a current YAAS member supporting events and fundraising, and Bonnie VanDusen, owner of VanDusen Design, who will lead outreach, education, and development efforts. Their contributions will help us reach new goals and better serve our community.

We've also refreshed our branding, and you'll continue to see updates as our outreach expands. Don't forget about our Glass Card Program, one of our most important fundraisers—whether you're a business offering a promotion or a supporter purchasing a card, your involvement makes a real difference.

As we look ahead to September, we're eager for new events and opportunities. Thank you for being part of this journey with us.

Local businesses partner with us to offer exclusive promotions, and community members can purchase a card to enjoy those savings while supporting our mission. Whether you're a business or a supporter, we invite you to get involved—every card makes a difference!
- We are thrilled to welcome Cal King and Bonnie VanDusen to the YAAS team! Cal, a current YAAS member, will assist with events and fundraising, bringing his passion for building community. Bonnie, owner of VanDusen Design, joins us to lead outreach, education, and development. Together, they bring fresh energy and expertise to help us grow.
- YAAS is growing—and with growth comes opportunity. We are currently seeking sponsors and community partners to help us expand our programs, events, and resources for autistic adults. Sponsorships not only support our mission but also highlight your business as a community leader. If you or your organization would like to learn more about partnership opportunities, we'd love to connect!
