

As a veteran woman-owned business, service to community is central to our core. Our focus is not only to give back to the veteran community, but also to those that support veterans - the local community.

RENTALS

We offer a variety of equipment for rent for the convenience to our patients, careteakers, and medical professionals.

We follow strict safety protocols to ensure each piece of equipment is sanitized and disinfected prior to each rental and properly serviced for reliability.

Ensuring customer safety and satisfaction is our priority.
