The purchase order, together with these terms and conditions, and any attachments and exhibits, specifications, drawings, notes, instructions and other information, whether physically attached or incorporated by reference (collectively the “Purchase Order”), constitutes the entire and exclusive agreement between ALYX, LLC (“Buyer”) and the seller identified as the supplier in the Purchase Order, hereinafter referred to as “Seller”, regarding the goods, materials and/or services to be purchased hereunder (“Goods”).

1. **ACCEPTANCE** -Seller’s electronic acceptance, acknowledgement, acceptance of payment or commencement of performance shall constitute acceptance of Buyer’s Purchase Order. Seller’s acceptance is limited to acceptance of the express terms of this Purchase Order and does not include any additional or different terms proposed by Seller or any attempt to vary to terms hereof, unless accepted in writing by Buyer. Acceptance of the GOODS covered by this Purchase Order will not constitute acceptance by Buyer of Seller’s terms and conditions. Any reference to Seller’s quotation, bid, or proposal does not imply acceptance of any term, condition, or instruction contained in that document. If Seller becomes aware of any ambiguities, issues, or discrepancies between this Purchase Order and any specification, design, or other technical requirement applicable to this Purchase Order, Seller will immediately submit the matter to Buyer for resolution.

2. **PRICE** - Seller warrants that the prices for the GOODS are complete and not less favorable than those currently extended to Seller's other customers of similar account size for similar quantities of the same or similar GOODS. In the event Seller reduces its prices for such GOODS prior to accepting Buyer’s Purchase Order or during the term of performance of any Purchase Order for services, Seller agrees to reduce the prices hereof accordingly. Seller warrants that the prices shown in the Purchase Order are complete and no additional charges are added without Buyer’s express written consent. Such additional charges include, but are not limited to, shipping, packaging, labeling, custom duties, taxes, insurance, storage, boxing and crating. If at any time during the term of this Purchase Order, Buyer receives from another source an offer to supply GOODS of like quality to that offered by Seller at a price which results in a price lower than the delivered price then in effect, Buyer may request Seller to meet such competitive offer. If within five (5) working days after the date of Buyer’s request Seller shall not have agreed to meet the competitive offer, Buyer, at its option, may purchase the material from the competitive source and the quantity so purchased is deducted from this Purchase Order.

3. **CHANGES** - Buyer may, at any time prior to delivery, change the specifications for the GOODS and delivery thereof. Seller will accept any changes, provided that if a change increases or decreases the cost or time required for performance, the parties will equitably adjust and modify the terms hereof in writing accordingly.

4. **DELIVERY** - Time is of the essence. Delivery is strictly in accordance with the schedule, quantity, and any other terms set forth in this Purchase Order. Seller will immediately notify Buyer if Seller’s timely performance under the Purchase Order is delayed or is likely to be delayed. Buyer reserves the right to cancel, without liability, this Purchase Order in whole or in part if Seller should fail to make deliveries in accordance with the terms of this Purchase Order. Seller shall indemnify Buyer for any damages imposed originating from Seller’s delivery breach. Buyer reserves the right to refuse shipments made before or after the date set forth in the Purchase Order. If the delivery of the Products is not completed on time, Buyer reserves the right, in addition to its other rights and remedies, and without liability, to terminate the Purchase Order as to items not yet shipped or services not yet rendered and to: (a) purchase substitute items or services elsewhere at the expense of Seller or (b) direct Seller to ship by the most expeditious means available at Seller’s risk and expense.

5. **SHIPPING/PACKAGING** - Seller will preserve, pack, package and handle the goods so as to protect the goods from loss, damage, deterioration, moisture, foreign matter or contamination.
