

AI Superteam Alliance

Run Today's Business. Build Tomorrow's Edge.

Backed by Industry & Academic Research: 19,019 firm-years | 611 S&P 500 firms | 40 years of data

YOUR CHALLENGE

You're investing in AI, but are you getting compounding returns? Most firms buy AI tools without building AI-Human enabled teams. The result: scattered pilots, stalled adoption, and low/no ROI that never compounds. You need an ecosystem that delivers consistent innovation and execution. AI Superteams delivers that for your firm.

Median Size
(Smaller wins)

AI teaming & OA, not the scale, produces the premium. AI Superteam ambidextrous firms are smaller on average than peers - with higher ROI.

WHAT WE DO FOR YOU

Ambidexterity Roadmap Innovate and execute simultaneously - no enterprise budget required

AI Teaming Integration We embed AI into your actual workflows, not just install tools on the shelf

AI Superteams We build Human-AI teams that compound ROI and improve human quality of work life

Competitive Advantage We turn ambidextrous design into a durable edge competitors can't replicate

Sustained Performance We help you hold the balance across leadership changes and budget cycles

Competitor Tracking We score competitors' ambidexterity status so you see market gaps & threats first

AI Teaming at Scale Augmentation, innovation, and replacement teaming - New era AI multitasking

WHY AI SUPERTEAMS WIN

Your workforce plus AI teaming outperforms fragmented human and AI teams. The real ROI isn't in any single AI tool - it's in how your employees' team with AI across every work function. We help you build AI teams, integrate AI, create AI Superteams, and balance it all with organizational ambidexterity so each investment compounds ROI.

Run today's operations & build tomorrow's capability — simultaneously, measurably, sustainably.

WHO WE ARE

Cognitive Force AI & the AI Superteam Alliance is not another AI vendor or traditional consulting firm. We are the **system integrator of human + AI work** - combining organizational psychology, AI engineering, workforce transformation, sustained innovation, and strategy into one practice. The **AI Superteam Alliance** is the global enablement body for Human-AI teaming, delivering AI Superteams, certifications, platforms, and AI services so your firm can move at the speed of AI.

HOW WE GET YOU THERE

01

Assess Your AI & Organizational Ambidexterity Foundation

We audit your teams, data, cloud, and AI readiness so you know exactly where you stand today

02

Reduce the Overhead

We cut the cognitive, coordination, and capital costs and burdens that have kept ambidexterity out of reach

03

Build Your AI Superteams

We design Human-AI teaming structures with real capability - named owners, clear authority, measurable ROI

04

Deliver Dual-Motion Results

You innovate and execute simultaneously - accessible through design, not just size or budget
