As the director of the writing programme at the University of Cape Town, I look forward to collaborating with Tania Haberland on the series of workshops she has designed which combine creative writing and the learning of English as a foreign language. Tania is a very well-regarded graduate of our programme, the winner of the Ingrid Jonker Prize for her first book of poetry *Hyphen*, and is also known to be an excellent and inspiring presence as a teacher and poet. I recommend her very highly and am setting up with her the occasions on which I and my fellow writers can assist in her new venture. Please contact me directly if you have any questions about this.

Sincerely,
