MAKE YOUR MARK

Everywhere we serve,
every time we give, we bring
kindness and compassion,
change and hope.

And we make our mark on the
lives we touch, the communities
we serve and the world we share.

FABRÍCIO OLIVEIRA
INTERNATIONAL PRESIDENT
2024-2025

DG John Hand - "Opening New Doors"

A few weeks ago, I had the opportunity to attend the Lions International Convention in Melbourne, Australia. My spouse, Loraine, was able to attend as well and our first trip Down Under was terrific—even in winter! If you ever have the chance, take it. Meeting Lions from around North America and the world is inspiring, educational, and joyful. Our new International President, Fabricio Oliveira, is from Brazil and makes quite an impact in person. Fabricio's theme for his year as International President is "Make Your Mark" and he is challenging all Lions districts to do just that. Closer to home, my theme is "Opening New Doors" which speaks to opening new doors for District 39W members: how can we work more collaboratively? Who can we help new parts of our communities? The opportunities are endless.

Just as importantly, "Opening New Doors" offers the chance to open new doors INTO Lions for others in your community. Family, friends, co-workers, and so many others are waiting to be asked to walk into our Lions Clubs. Lions are positive, collaborative, and talented people. We are really, really good and we can be even that much more effective helping those we serve.

All the Best,
John Hand
District Governor

Weiser Lions

During the annual National Old-time Fiddle Contest parade, Weiser Lions and Weiser High School Leos rode in a decorated pickup, and tossed candy to the spectators along the parade route. This was followed with some of the Lions helping at the Leo Club's car wash to raise funds for the local senior center. Two Weiser Lions treated the Leos to pizza and beverages.

We love our Leos!

The Weiser Lions Club takes a recess from business meetings during July but, will have their annual potluck picnic on July 17, to install new officers and present awards. Both DG John Hand and Zone Chair, Marie Virden, will attend.

Boise Bench Lions June 2024 Activities.

What do you feed a 600 pound Baboon? Anything it wants!

The Club had its first two cleanups at Zoo Boise in June and we will be there monthly though the Summer. Raking leaves, pulling weeds and general cleanup around some of the small bird exhibits, otter exhibit and they told us to watch for the crocodile. We also got some good information about the baboons too (they are not fans of broccoli either).

Club members also cooked and served at Interfaith Sanctuary and cooked and cleaned at the Ronal MacDonald House. Eight Boise Bench Lions bagged 4,000 peppers and 2,250 potatoes for 5,200 meals at the Idaho Food Bank. Lion Patty Frison delivered 29 purses with items for the purses to the new location for Purses with a Purpose. The BB Lions continue to collect items for this non-profit. Check out purseswithapurposeboise.org for more information.

A new project-Club members will decorate cards for Mothers Against Drunk Driving.

The summer picnic/charter party was a success, a lot of good food, games and awards were handed out or consumed.

This July, support a Wreaths Across America Sponsorship Group through our [#GivingInJuly](#) campaign!

This annual campaign spotlights the work of likeminded organizations, and encourages year-round support of the mission. By sponsoring a \$17 wreath through a Sponsorship Group this summer, you can help a local group reach their goals, while honoring a fallen veteran. \$5 from every wreath sponsorship is returned to the group you select!

Learn more about [#GivingInJuly](#), and find a group to support today.

Please support Star Lions Club and the Star Cemetery. Thank you for your support
