

Safety Data Sheet

Classified in Accordance with CLP/GHS

Product Name: Eco Tyreseal Sealant

Section 1 – Identification of Substance / Mixture & Company/ Undertaking

Product Identifier	ECO Tyreseal sealant Cas No. Not applicable EC No. Not applicable Index No. Not applicable
Synonym(s)	None
REACH registration number	Not applicable
Relevant identified uses and uses advised against	Industrial & Professional – Puncture-proofing tyre sealant for low speed applications. Consumer – Not applicable Avoid any use – Restricted to industrial and professional use.
Supplier details	34 Kite Way Hampton Vale Peterborough PE7 8PT
Telephone	+44 (0) 7376 986340
Emergency telephone	+44 (0) 7376 986340

Section 2 – Hazards Identification

Classification (EC1272/2008)	Not applicable
Classification (1999/45/EC)	Not applicable
Label Elements	Not applicable
Hazard Statements	Not applicable
Precautionary Statements	Not applicable
Supplemental Information	Not applicable
Other Hazards	Not applicable

Section 3 – Composition/ Information on Ingredients

Chemical Name	CAS No	EC No	REACH Reg No	Classification
Mono Ethylene Glycol	107-21-1	203-473-3	01-2119456816-28	Below the concentration limit for classification

Components are either not classified or are below the concentration limit for classification

Safety Data Sheet

Classified in Accordance with CLP/GHS

Product Name: Eco Tyreseal Sealant

Section 4 – First Aid Measures

Description of First Aid Measures

Inhalation	Remove to fresh air, seek medical attention if any discomfort continues.
Skin contact	Clean areas of skin affected with soap and plenty of water, seek medical attention if any discomfort continues.
Eye contact	In case of contact with eyes, rinse immediately, continue to rinse for at least 15 minutes. Get medical attention if discomfort continues.
Ingestion	Rinse mouth thoroughly. DO NOT induce vomiting, get medical attention immediately.

Section 5 – Fire Fighting Measures

Extinguishing media	To suit local surroundings (e.g. water, carbon dioxide, foam, chemical powder)
Extinguishing media not to be used	Not applicable
Special hazards arising from the substance or mixture	Not applicable

Section 6 – Accidental Release Measures

Personal precautions, protective equipment & emergency procedures	Stop the spillage or leak if the operation does not pose risks.
Environmental precautions	Do not allow to get into waste water or waterways.
Methods and materials for containment & cleaning up	Take up with absorbent material, e.g. sand, sawdust, into tightly closable containers. Label container and dispose of as prescribed. Dispose of wastes safely.
Reference to other sections	Section 8 - personal protective measures. Section 13 - disposal of waste.

Section 7 – Handling & Storage

Precautions for safe handling	Handle in accordance with good hygiene and safety practice.
Conditions for safe storage, including any incompatibilities	Keep containers tightly closed.
Specific end use(s)	Industrial and Professional: Ensure safe systems of work or equivalent arrangements are in place to manage risks.

Safety Data Sheet

Classified in Accordance with CLP/GHS

Product Name: Eco Tyre Sealant

Section 8 – Exposure Controls/ Personal Protection

Personal protection	Observe normal standards for handling Avoid eye and skin contact. Wash thoroughly after handling. Wear personal protective equipment appropriate to the task (see below).
Eye protection	If risk of splashing, wear safety goggles or face shield
Skin protection	PVC, rubber or neoprene gloves.
Other personal protection	Access to washing facilities.
Environmental exposure controls	Do not allow to get into waste water or waterways.

Section 9 – Physical & Chemical Properties

Physical form	Liquid
Colour	Pale blue
Odour	Phenolic
Solubility	Partially soluble in water
Flash point	>100°C
Relative evaporation rate (n-Butyl Acetate =1)	Not available
General flammability	Non combustible
pH	8.0
Specific gravity	1.05
Auto ignition temperature	Not available
Decomposition temperature	Not available
Viscosity	Not available
Explosive properties	Not available
Oxidising properties	Not available

Section 10 – Stability & Reactivity

Reactivity	Not available
Chemical stability	Stable under normal conditions of handling & storage
Possibility of hazardous reactions	None known
Incompatible materials	None known

Safety Data Sheet

Classified in Accordance with CLP/GHS

Product Name: Eco Tyre Sealant

Section 11 – Toxicological Information

Information on toxicological effects	No data available for this product
Oral	No data available for this product
Inhalation	No data available for this product
Ingestion	May cause nausea, vomiting & diarrhoea
Skin corrosion/irritation	Product may cause irritation
Serious eye damage/irritation	Product may cause eye irritation
Adverse health effects & symptoms	None reported
Other information	None reported

Section 12 – Ecological Information

Fish, acute	No data available for this product
Fish, chronic	No data available for this product
Invertebrates	No data available for this product
Algae	No data available for this product
Persistence & degradability	No data available for this product
Bioaccumulative potential	No data available for this product
Mobility in soil	No data available for this product
Other adverse effects	None reported

Section 13 – Disposal Considerations

Waste treatment methods	Dispose of waste in accordance with national & local authority regulations. Do not allow product to get into waste water or waterways.
-------------------------	---

Safety Data Sheet

Classified in Accordance with CLP/GHS

Product Name: Eco Tyreseal Sealant

Section 14 – Transport Information

Land transport (ADR/RID)

UN number	Not applicable
UN proper shipping name	Not applicable

Marine transport (IMDG)

UN number	Not applicable
UN proper shipping name	Not applicable

This material is not classified as dangerous under IMDG regulations

Section 15 – Regulatory Information

Safety, health & environmental specific for product	This product is not classified under the Classification, Labelling & Packaging Regulation (EC) 1272/2008 This product is not classified under the Chemicals (Hazard Information & Packaging) for supply regulations 2009 (CHIP4)
---	---

Section 16 – Other Information

Sources of data	This safety data sheet was compiled using information supplied by material distributors ADR, IMDG, EH40
